Any help you could offer with our pool chaise/chair drive would be greatly appreciated!

Also, a **BIG SHOUTOUT OF THANKS** to **Beverly Gilmer, Andrea Schipke, Angela Carpenter, Kari Chandler, Nolan Hegwood, Makayla Carpenter, Bristol & Paisley Chandler** for a ginormous amount of help getting everything ready for summer! Beverly has worked on the fence and concrete with a pressure washer for several days and she says she's not done yet. **Thanks a bunch to Jason Phillips** for loaning us his pump to get the biggest part of the debris out of the pool and to Eddie Gilmer for picking up pool chemicals for us. We should be ready to open May 13.
