Parent or whoever brings the child to lessons, please read & sign stating that you understand these requirements. Our water safety instructor is Carol Evans.

1. Swimsuits are required for all students. If your child's hair is long enough, **please braid** or put it in a **ponytail**.
Be sure their hair isn't getting in their eyes when wet. Clip in barrettes work well.
No metal hair pins, extensions or weaves allowed in pool area. Oil based hair and skin products **are not** permitted. Swim cap is required if you use oil-based products in your hair.
2. Restrooms are located under pavilion on South side. Small children must be accompanied by an adult.
3. No part of the pool is open for recreational use during morning swimming lessons. Everyone except students of the class that is currently taking place is asked to stay outside pool fence.
4. **Please** do not coach, yell at, or otherwise instruct the children while they are in their class.
5. If you have questions for Ms. Carol about your child's progress, etc., she would be happy to answer them. She requests that you call or text her at after 1:00 p.m. 601-764-8571.
